

## About SSHP's Chapter at the James L. Winkle College of Pharmacy

The University of Cincinnati Student Society of Health-System Pharmacy (SSHP) is a professional organization dedicated to improving public health and education. It is our goal to advance the profession of pharmacy through community outreach. To raise money for our annual events, SSHP will be hosting the James L. Winkle College of Pharmacy Fall 5K Run. The run will be held on Saturday, November 5, 2011 on the University of Cincinnati's main campus.

SSHP is a non-profit organization, and all proceeds raised by the Fall 5K Run will be used to help SSHP serve the community. We are asking for donations in the form of sponsorships for the event or refreshments for participants.
